15th September 2016

Dear Mr Kempe

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

I refer to your request for information, received by email on 23th August 2016.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

Your specific request and the response from the National Park Authority are provided below.

“Lochs and Glens appear to have been using the LLTNPA carpark at Inveruglas for some time to park their buses. I would be grateful if you could provide me with an explanation of how this arrangement came about, any agreement the LLTNPA has reached with the company on use of the carpark and when this happened and whether you have received any income from the company as a result.”

The Park Authority has no agreement with Lochs and Glens for the use of Inveruglas car park. Therefore I have to advise you under Regulation 10(4)a of the EIRs that there is no relevant information held.

Yours sincerely

Information Officer
