FOI Ref: 2015/058

8th November 2016

Dear Mr Kempe,

REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

Following the decision made by the Scottish Information Commissioner (Ref 201600611) in relation to your request Ref FOI 2015/058, I now enclose copies of the Board Briefing session slides that considered the Your Park proposals.

We advised the Information Commissioner the information in some of the slides was already in the public domain and otherwise available, so the Commissioner only examined the slides that were originally withheld under S30(b)(i), S33(1)(b), S36(1) and R10(4)(d) and (e). For clarity and ease of understanding, we have provided the presentations in full to you.

Please note that some information has been withheld, namely slide 21 from the presentation of 8th December 2014, as the Information Commissioner has accepted that this information should be withheld under R 10(4)(e) of the EIRs. In addition a personal email address has been redacted from a slide as this constitutes the personal information of an individual and is therefore excepted from release under R 11(3)(a)(i) and (3)(b) of the EIRs as its disclosure would be in contravention of the Data Protection Act 1998.

Yours sincerely

Information Officer
