20th December 2016

Dear Mr Kempe

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

I refer to your request for information, received by email on 21st November 2016.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

Your specific requests and the response from the National Park Authority are provided below.

“date the LLTNPA received the final copy of this report”

The Park Authority received the Keep Scotland Beautiful litter audit report, entitled ‘The Local Environmental Quality Audit’, on 18th November 2016.

“if it was sent draft copies of the report on what date this or these were received”

As advised in response EIR 2016/003 of 29th February 2016, Park Authority staff met with Keep Scotland Beautiful staff to discuss the litter audit report in February 2016. This was followed up in June and September, and the final report was sent to the Park Authority in November 2016. The Park Authority does not hold draft copies of this report.

Yours sincerely

Governance & Legal Team
