CS highlighted that permanent track was originally included within permission ref 2013_0267. CS stated the permanent access track was originally on the west bank and that no permanent track was to be retained on the east bank. The permanent track was removed by NMV (22/6/16) by the previous applicant. Current developer requires a track for the operation and maintenance of the hydro intake throughout its lifetime. It was agreed a retrospective application was therefore required.
