Subject:RE: Ledard Burn hydro 300kW scheme

Catherine,

The developer Rory Young has pulled out of the Ledard Burn Hydro Scheme, and Green cat Renewables will no longer be undertaking any work on it.

Rory was not able to get an early positive response on a lease with the Forestry Commission for the top ~200m of the pipe route and the intake, and the owner of the Forestry to the west of the scheme from where we would have taken temporary construction phase access was also holding the scheme to ransom.

Thank you for your help none the less.

Best regards,

Ken

Ken

Please find attached the screening opinion for the above scheme. I am still receiving consultation responses on the Scoping Opinion and will forward this to you as soon as I can.

Regards

Catherine
