Highlands and Islands Enterprise mismanagement at Cairn Gorm â?? the remains of the White Lady

Description

Photo, taken 23rd January, and annotations credit Parkswatch reader

Following Graham Garfootâ??s post yesterday on the funicular court cases (see here), a reader who had taken this photo taken from the Ridge Poma in the morning was inspired to annotate it: â??the recent thaw really showed up the shortcomings of the funicularâ?•.

Brilliant! More such annotated photos from readers, on any aspect of development or land mismanagement in our National Parks, would be welcome.
