Dear Linda

East Loch Lomond Camping Byelaws 2011: Three Year Report for Ministers

I wanted to thank you and the team for providing the three year report following the introduction of the East Loch Lomond Byelaws in 2011.

The report provides a useful and detailed analysis of the positive impact that the introduction of the byelaws have had in tackling significant issues of anti-social behaviour on the east side of the loch.

I look forward to following developments with the current 'Your Park' exercise and to considering the outcome in due course.

With kindest regards

Paul Wheelhouse
