Dear Sirs

**Proposed Camping Pods and Tent Site Development at The Loch Shore, Ledard Farm, Kinlochard.
ref 2017/0097/DET.**

In our application for detail planning approval ref. no 2017/0097/DET submitted in March 2017 we unfortunately misinterpreted section 17 of the form and indicated that our client Mr Fergus Wood was not an elected member of the Board when in fact he is a Stirling Council representative on the Board of the Loch Lomond and the Trossachs National Park and thus also sits on the Planning Committee .

We have now completed the form correctly and enclose the revised page 5 which we would be grateful if you would substitute for the erroneous page 5 previously submitted.

We would also confirm that Mr Fergus Wood will leave any planning meeting when there is any discussion of his project or indeed similar projects where it could be construed that he would have an interest that could influence any decision he might make. In fact we understand that he has for some time been leaving meetings where a similar local project was under discussion.

We trust that this meets with your approval and sincerely hope that our mistake has not unduly inconvenienced your department.

Yours sincerely
for John H White Architects

Encs.

cc Mr and Mrs. F Wood
