Dear Mr Kempe

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

Further to our response letter of 16th November 2018, we have been advised of a correction to some of the data provided in our response in relation to the data on reports to Crown Office for contraventions of the camping management byelaws:

Reports to Crown Office for contraventions of the camping management byelaws	
Number of people reported	Byelaw
1	Camping Management Byelaws 2017 S7 and S8a Environmental Protection Act 1990 S33
2	Camping Management Byelaws 2017 S7 and S13
1	Camping Management Byelaws 2017 S7, S13 and S14

The second two lines of the above table were incorrect with no breach of byelaw 7 but in fact should have read byelaw 6a. See corrected table below:

Reports to Crown Office for contraventions of the camping management byelaws	
Number of people reported	Byelaw
