Hi Bob,

Hope you are well.

I had a meeting with Mairi Bell yesterday and she suggested it might be an idea to have a meeting with you regarding our plans for West Riverside, Balloch.

Although we don't have any firm options as yet she mentioned it might be worthwhile giving you an 'heads up' on what might come your way down the line.

Let me know if you think this would be worthwhile and your availability and we can go from there.

Would you, or someone from your team, like to be involved in appraising the bids?

Assuming we get submissions at the closing date it would involve getting together to evaluate these w/c 10 August.

Hi Mairi,

I remember initially you had mentioned the afternoon of the 30th September as being a time that both you and Stuart could attend? Is that still the case? If so, I will schedule a meeting in AC and circulate a meeting invitation.

Attached on my thoughts on how we can advance the Flamingoland proposals.

Welcome your feedback.

Mairi, given LLTNPA's landholding within West Riverside it would make sense for you to be a party to the agreement. We can talk about how the design/technical studies are funded.
