Dear Mr Kempe

## **REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002**

Thank you for your request for access to information held by the National Park Authority, which was received by email on 15th September 2025. Your request had been processed under the Freedom of Information (Scotland) Act 2002 and our response is provided below.

### **Your Request**

*Further to previous similar information requests, please provide me with a copy of the video recording of the board meeting today.*

### **Our Response**

The National Park Authority does not hold a video (or audio) recording of the Board meeting which took place on 15 September 2025.

As you will be aware as a result of the similar information requests you reference in the above request, the National Park Authority's Board meetings have generally been broadcast live over the internet in recent years and a copy of the recording kept for a short period of time for the purpose of assisting the minute-taker with the production of the meeting minutes (which are subsequently published on our website).
